

## **HCEA NEGOTIATIONS UPDATE**

**February 3, 2009**

**Both the Teacher Negotiation's team and the ESP team have met with the Board of Education's team twice to date. After assessing the economic environment, both teams decided to see what effect, if any, the Obama's stimulus package would have on our county's economic status. Therefore, all teams agreed to continue discussions at a date to be determined in the future.**

**Sue Mascaro, the chief negotiator for the Board of Education's teams, will be meeting with the Board of Education on February 12, 2009, to receive further direction from the Board members. The negotiation teams will reschedule sessions after this meeting.**
